

When was the last time we gathered at church, not just for worship or fellowship, but just for fun? On Sunday, November 6, after worship we are gathering for a shared meal. After the meal, the real fun will begin with our first ever Peace Fair. There will be crafts, games, music and many opportunities for fellowship. We hope you'll join us in this exciting opportunity to consider our place in the pursuit of peace.

We will:

*Create art works that symbolize peace*

Engage in storytelling about our travels

*Listen to and/or make music together*

**Watch a short dramatic play**

Sign an Anti-bullying Pledge

Participate in a short Bible Study

**BUILD A CANNED FOOD TOWER FROM DONATED FOOD ITEMS**

Write letters to imprisoned people around the world

*Watch a puppet show*

*Listen to engaging stories as told by a real Storyteller*

Create a mural based on the Benediction of St. Francis

**Reflect in Prayer**

This is a time to enjoy each other, revel in the space we have in the church and reconnect ourselves with why we are a church.

Join us! It will be fun!
